

3M™

45x45mm RJ45 faceplates

Faceplate 1 port translucent

Faceplate 1 port aluminium colour

Faceplate 1 port all white

The 3M™ RJ45 45x45 faceplate is part of 3M Cabling System for premises networks.

The new design is modern and elegant, and fits easily into both contemporary and traditional office cabling environments.

Available as 1 or 2 port RJ45 in 3 colours: translucent, aluminium or all white

Features

- Compatible with all 3M RJ45 jacks.
- Two versions:
 - 45x45 mm, 1 port.
 - 45x45 mm, 2 ports.
- Suitable for most faceplate supports, even with limited depth.
- Flush front face.
- Location for adding labels above the port

Benefits

- Can be mounted horizontally or vertically on a 45x45 mm back box without additional accessories.
- Accepts RJ45 line splitters (screw fixing).
- White icon on front face with identification of telephony and data (coloured icons optional).
- Modern design, integrating with any office environment
- Optimised labelling area
